Into my potion, I will drop,
Stardust from the fastest shooting star,
The Scales from the slowest tortoise,
The Sound of the ocean tide,
The Smell of a lushes green meadow blooming
in bright sunlight,
A hat made from hedgehog spines,
Glasses made of galaxies,
1000 pinching crab claws,
One breath from a dieing dragon,
A pinch of sour dust,
One pocket full of sparkling snowflakes,
A glistening unicorn's horn.
