

12th February 2021

Dear Parents/Carers

We have made it to half term! Thank you all so much for all your efforts supporting your child with their remote learning. We know how difficult it has been and are extremely grateful for all your patience, dedication and time.

The Healthy House Challenge was a great success - the vast majority of our pupils participated and collected an enormous amount of points for their House. The enthusiasm and engagement with the day was overwhelming and we have thoroughly enjoyed looking at all the photos coming in. We are going to create a 'Wall of Fame' showing all the achievements of the week. We hope both you and your child/children enjoyed the day and it provided something a bit different this week.

In the unfortunate event that anyone tests positive for Coronavirus over the half term, please do let me know as soon as possible so that we can identify any close contacts within school. Hopefully this will not be the case and we can all enjoy a restful half term!

There will obviously be no remote learning set next week, so relax and enjoy the time with your family. We will let you know as soon as we hear any further notification regarding the reopening of schools.

Happy half term!

Lisa Spiller
